ORAL ORDER
(Passed on 6th July, 2006)

The averment made in this writ petition itself would show that the petitioner-tenant has had the benefit of power supply to the subject premises by virtue of an order made by the Rent Controlling Authority up to the period ending 27-05-2006. In the course of arguments, I pointedly asked Shri B.P. Sharma, learned counsel for the petitioner whether any application was moved before the Rent Controlling Authority for extension of the interim order before or after 27-05-2006, learned counsel, on instructions, would submit that no such application is made so far. If the petitioner requires continued supply of the electricity to the premises in question, and since he had earlier moved an application and the Rent Controlling Authority had granted relief for a particular period, it is open for the petitioner to make necessary

application for continued supply of electricity to the premises till the dispute between the petitioner-tenant and the landlord is decided by the Civil Court and/or other Component Authorities. In that view of the matter, I dismiss the writ petition, however, reserving liberty to move an application before the Rent Controlling Authority. No costs.
